

OUR STORY

IT ALL STARTED IN SEPTEMBER 2011 AT A LITTLE FOOD MARKET IN JO'BURG...

Brother Bojan and sister Lidija go to a new food market launch looking for a hearty lunch but all the food is sold out and it wasn't even 1pm! As they sat with cheese and crackers, they wished they were digging into something tastier, something familiar, something new. A couple of drinks and cheddar blocks later, their Serbian courage kicked in and a crazy idea was born: "We shall quit the life of corporate and pursue our passion for food and open a stall at this very market! Hooray!"

Fast-forward to Monday morning, sister phoned brother.

The conversation went a bit like this:

Е, КАКО СИ? (Hey, howzit?)

ДОБРО, ТИ? (Good and you?)

ДОБРО ... (Good.)

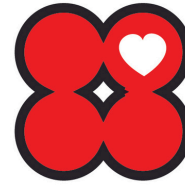

АЈДЕ ДА ПРАВИМО ПЉЕСКАВИЦЕ, ЛЕБА ТИ! (Let's make some Balkan Burgers, for bread's sake!)

АЈДЕ! (Let's!)

СУПЕР! ...А КАКО? (Super! But how?)

ПОЈМА НЕМАМ! (No clue!)

A week later, the brother and sister figured out how and the duo had their first successful day as foodies. With the unique stuffed pattie, homemade roasted red pepper sauce and sourdough bread, the burger as you know it was redefined forever - VIVA!
